

Insulation4Less.com is the authorized distributor of **Prodex** Total Insulation in the USA and Canada. **Prodex** partnered with **Insulation4Less** to provide **Total Plus** – Ideal for construction applications in the U.S. and Canada (Higher R, Stronger and Safer). *Total Plus* includes all the components of the premium ESD and ESW family of insulation rolls.

Prodex adds an extra layer of credibility by submitting these rolls to the ASTM Rima International verification program. By having a third party verification, **Prodex** assures its clients that the insulation complies with industry standards, and is suitable for any construction system.

Insulation4Less.com (I4L), is more than a **Prodex** partner - **I4L** is the U.S. and Canadian extension of **Prodex**. The union allows us to:

- Ship by next day
- Allow for customer pick-ups
- Service the Gold, Platinum and Diamond members
- Identify market changes
- Develop strategies to meet the US and Canadian market demands
